or

a total of six different subjects, including five Ordinary Level / IGCSE subjects graded A to E (or 1 to 8), plus one Advanced Level (grade E).

Option 2

or

A total of seven different subjects, including five Ordinary Level / IGCSE subjects graded A to E (or 1 to 8), plus two passes at one of the following levels: Advanced Supplementary (grade E), Higher General Certificate of Secondary Education (graded 1-3 – Grade 4 is considered to be the equivalent of IGCSE Grades A-C), or recognised equivalent.

Each of the above combinations must include either English Language, or the mother tongue as a first language.

This evaluation will primarily be intended for employment purposes, but may be accepted by tertiary institutions, such as universities of technology and nursing colleges, for purposes of further study according to their own requirements in terms of subjects and grades. *Candidates should therefore ascertain the acceptability of such an evaluation to the admitting institution beforehand.* University admission for purposes of first degree study is subject to Matriculation Exemption, which is the sole prerogative of the Matriculation Board and not likely to be considered on the basis of the conditions for upgrading as set out above.

Information on lectures for study purposes and arrangements for official examinations may be obtained from education and training providers.

¹ – Grade 4 is considered to be equivalent to IGCSE Grades A-C
