## THE FOUNDER'S DAY DASH...

*History*

YEAR	WINNER	TIME
2012	MASON O'CONNOR	1:19:17
2013	TRAVIS GAFF	1:19:34
2014	PAUL JACOBS	1:21:8
2015	ZOULE HOSNATHA	1:19:01
2016	T MOTHKINNYOT	1:17:54
2017	JASON BELL	1:20:31
2018	SARRETT FRISZ	1:18:40
2019	SARRETT FRISZ	1:17:09

Mrs Janet de Croes (25 years of service), Mrs Isabelle Matten, Mr Graham Stewart-Burger and Mr Stewart Bradford (all 26 years of service).

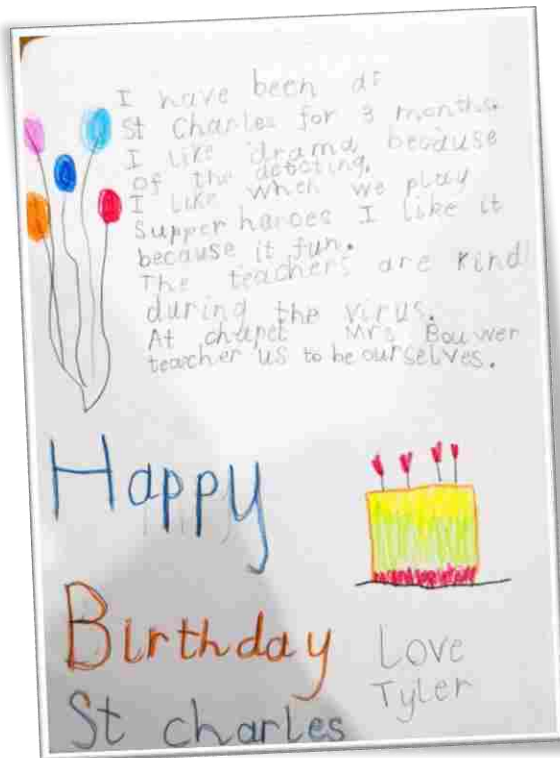

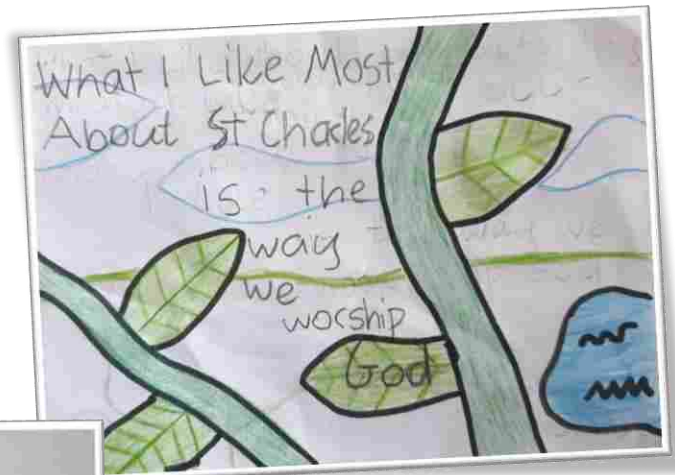

The distance is awkward at 540m, but the reward is great. The winner each year has his name and the time etched onto a brass plaque on a water fountain donated by the Matrics of 2012. Mason O'Connor, the first winner of *The Dash*, holds the current record with a time of 1:16.97.

While the 2020 edition of *The Dash* has necessarily been postponed, we look forward to the tradition continuing as soon as it is safe to do so. – Mr Rowan Irons (Director of Sport)

# HAPPY BIRTHDAY ST CHARLES COLLEGE!

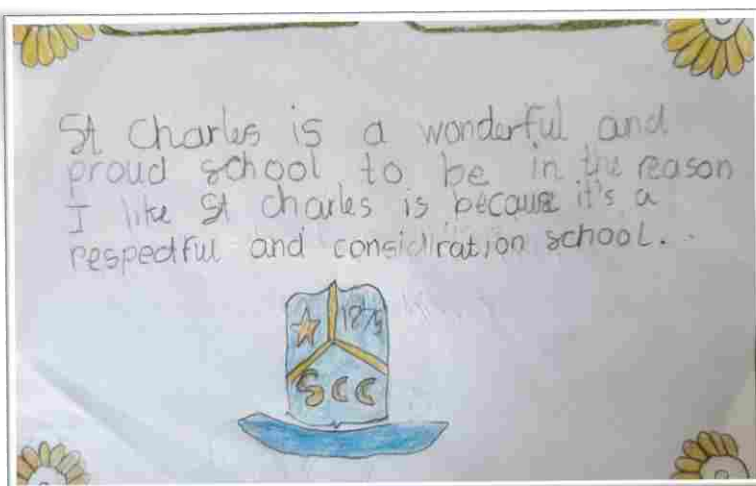

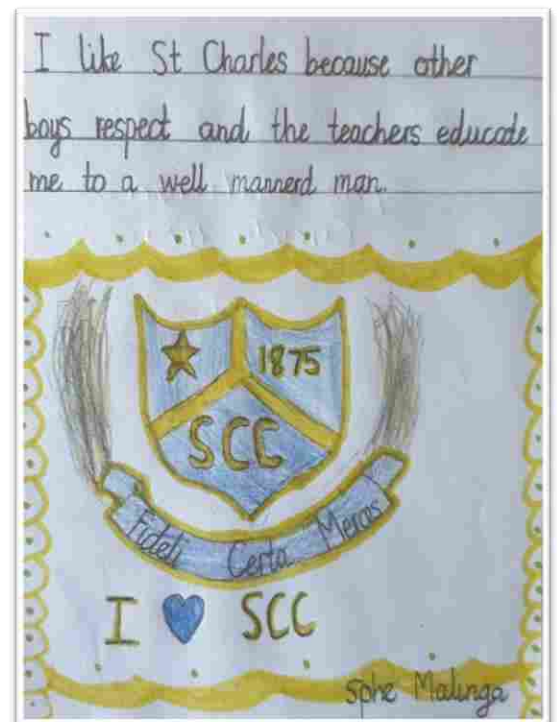

"St Charles is the best school I have ever been to. It is a good school for kids. I love the teachers here because they are loving and kind. We should thank the Marist Brothers and Old Boys for saving our school. Without them we wouldn't be here today. Grade 3 is a fantastic grade. We've learned about models in Maths. As soon as Mrs du Toit taught us models, we did it faster than she could say "done."  
St Charles is the biggest school in town. We can host many sports matches on one day. The pupils of St Charles have big strong hearts. We never give up and we are loyal to our badge, Fideli Certa Merces, To the faithful one a certain reward."

- AZOKUHLE MHLONGO

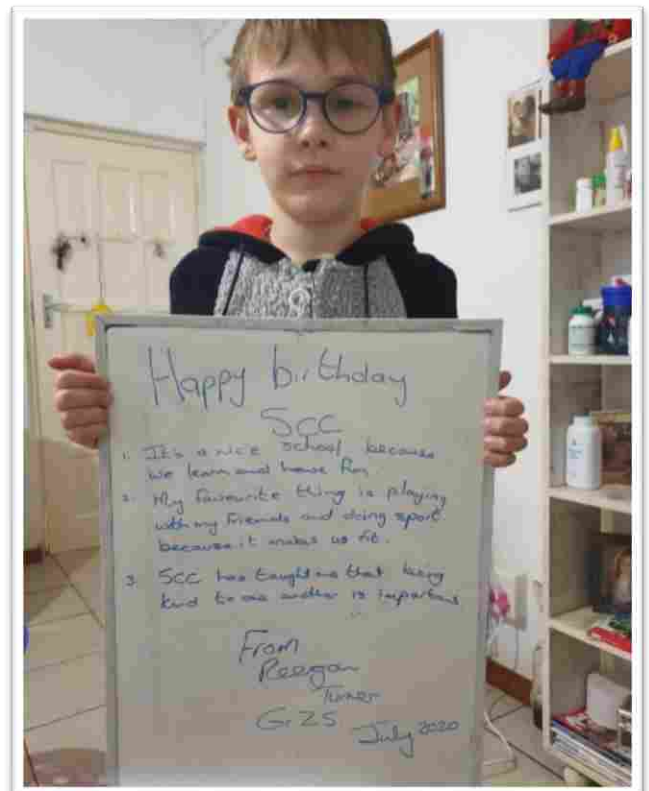

"What I love most about St Charles College is that it has very good coaches and teachers. I get the best education at St Charles College. It's also filled with laughter and the best friends. It is also the second oldest school in Pietermaritzburg. It is a very grand school. I thank the principal for leading this wonderful school."

- DANIEL BARRY

"St Charles has kind and helpful boys. The teachers make us smart and we do plays for our parents. We play sports and do lots of art. We have fun every day. St Charles is a very old school. It started in 1875 and this year it is still going strong and turns 145. I hope it will not shut down again and I hope it is going to survive this year of Covid19."

- SHIVAAN SINGH

# ST CHARLES COLLEGE AWARDED *Blue Chip Status*

Each year, Cricket South Africa awards Blue Chip status to schools who achieve 90% or higher on the school's quality index – the following criteria are considered:

- Number of teams per age group
- Representation across the school pipeline
- Number of matches played
- Coaching infrastructure and qualifications
- Facility infrastructure

St Charles College is proud to once again retain Blue Chip status in both our Prep and Senior Schools. This award is a direct reflection

of our continued commitment and support to cricket in South Africa and we acknowledge the incredible broader team effort that this achievement requires. We love our cricket @Saints\_Sport and can't wait for our boys to be back on the field. - Mr Rowan Irons (Director of Sport)

## PREP SPORT *News*

The Saints fields have been busy with the boys from Scrummies to Grade 7 partaking in the Wellness programme. Designed to improve each boys focus in class, individual development and ensure that lots of fun is enjoyed by everyone, these classes have been a huge success. The boys continue to enjoy, "The Body Coach" and Billy Blanks "Tae-Bo" in front of the Oval screen as well as the obstacle course which sees the boys do a number of physical activities on and around the Oval field.

We are all very excited to see the long term results this programme will have on the boys and their education.

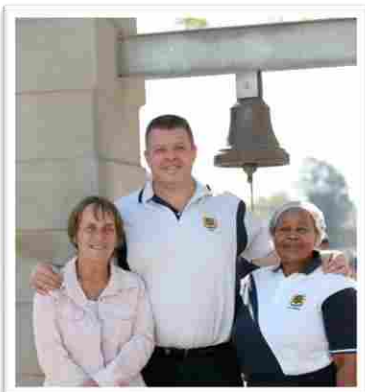

– Mr Gregg Cole-Edwardes  
(Head of Prep Sport)

# FLASHBACK *Friday*

This week we're throwing it back to our Founders Day celebrations over the last few years!

*As is tradition, our birthday celebration concludes with the cutting of the cake and some delicious donuts. Some could even argue that the dash the boys make to the donuts is even quicker than the official timed event down the avenue!*

Last week our Grade 11 Chemistry students were busy with a week of practical work to further develop their scientific reasoning skills. The practicals are an important component of the chemistry syllabus and bring the theory learnt in a lesson to life.

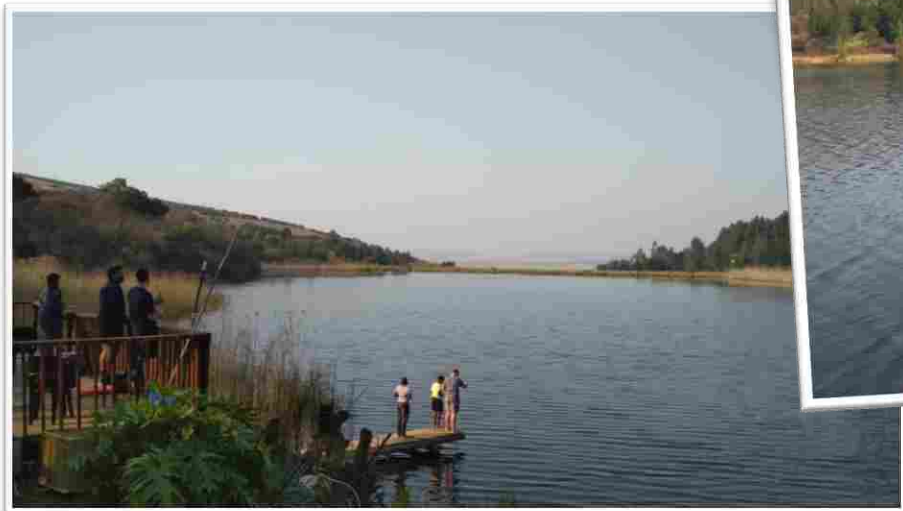

The students have been focusing on qualitative analysis and are now able to determine the ions present in an unknown sample. This is very much like detective work where the students have to use observations and reasoning and logic to solve the mystery of what is in their sample.

The week was filled with interesting colours, the popping of hydrogen gas and fire. – Dr Kate Akerman

# Boarders DAY OUT

Our Saints Boarders spent the afternoon of 22 July out of the City...

## A MESSAGE FROM OUR Old Boys

As we countdown towards our 145th Birthday on 26 July, we would like to share some more messages from our Class of 2007.

*"I recognise those that came before me, that contributed to creating this culture; and trust in the young men whose hands it rests in today. We all share the brotherhood that is the BLUE, WHITE and GOLD."*

- Graeme Beghin

## THIS WEEK'S READING FROM

# Chapel

Click here to watch this week's online Chapel Service!

*<sup>3</sup> Don't be selfish; don't try to impress others. Be humble, thinking of others as better than yourselves. <sup>4</sup> Don't look out only for your own interests, but take an interest in others, too. <sup>5</sup> You must have the same attitude that Christ Jesus had. <sup>6</sup> Though he was God, he did not think of equality with God as something to cling to. <sup>7</sup> Instead, he gave up his divine privileges; he took the humble position of a slave and was born as a human being. When he appeared in human form, <sup>8</sup> he humbled himself in obedience to God and died a criminal's death on a cross.*

*Philippians 2:3 - 8*
