#FLASHBACK Friday

This time last year we were excited to see the upgrade to our Basketball surface in the Samke Khumalo Arena!

"The Samke Khumalo Arena received another upgrade earlier this week when the new Basketball surface was installed. Used internationally at the highest level, the new Sport Court surface offers support and cushioning to our players who participate in this high impact sport. The new surface will host its first game this weekend as Northwood visit for the first summer fixture of the season." – Mr Darren Holcomb

SAINTS TENNIS CHAMPIONSHIP

The Saints Tennis Championships took place this week in the

Senior School. While it was encouraging to see five of the quarter final spots being taken up by Middle School boys, the final was contested by two matrics, Tennis Captain Keegan Crawford and Boaz Hansen. The latter powered his way to a clinical 6-3, 6-3 victory on the day. Congratulations to Boaz and we look forward to the start of an annual tennis tradition. – Mr Rowan Irons (Director of Sport)

SAINTS VIRTUAL CROSS COUNTRY CHAMPIONSHIPS

This week saw the first ever virtual XC Champs on the Saints campus. The event was open to all Middle and Upper School boys and the brief was as follows:

"The distance must be run during Week 8, anytime between Monday and Friday. The distance is 8km and must be run anti-clockwise as close to the perimeter fence of the campus as possible and must also be logged via a GPS enabled watch / phone."

Congratulations to the following boys who finished in the Top 3:

- 1st Abenathi Sigaba 34:10**
- 2nd Ross Palframan 36:19**
- 3rd Daniel Jacobs 37:17**

SAINTS CRICKET ACADEMY

Cricket South Africa, through the Sports Ministry, have opened applications for academies to resume one-on-one coaching. We are pleased to announce that the Saints Cricket Academy has received approval and resumed coaching this week. The academy is based at the St Charles College Indoor Centre and run by pro-cricketer, Kurtlyn Mannikam.

This morning during the online Prep Sports Assembly, Kurtlyn was interviewed by Mr Cole-Edwardes, Mr van Wyk and Mr Irons. It was exciting for the boys to hear first-hand how the Saints Cricket Academy will operate and how boys who love their cricket can get involved and improve their skill set. While we are still experiencing lockdown restrictions, we have a wonderful opportunity to work hard, one-on-one, under expert coaches and all within safe protocols, to prepare ourselves for the day when we can once again play matches.

"When opportunity comes, it's too late to prepare." John Wooden.

GRADE 9 JAM SESSION ↷

↷ GRADE 8 JAM SESSION

MASTERCLASS AT THE TATHAM

Max Nattrass (Grade 12) recently enjoyed a masterclass with Chris Duigan at the Tatham Art Gallery.

AFDA VIRTUAL WORKSHOP ↷

A new addition to this year's Cultural Week was a virtual workshop on film and television production. Sir Roel Twijnstra who is the Head of Live Performance at the Durban campus of AFDA led the workshop via a Zoom meeting. He focused on the language of the face and the importance of learning what others will read and see on the actors' face. The boys responded well to the question and answer section at the end, with queries on the relevance of acting in music videos, what producers do when actors die, the different types of auditions and the need for an agent.

A second workshop will be held on Thursday 10th September from 3-4pm where Sir Roel will do some basic work with cameras and lights. – Ms Roselyn Dredge (Cultural Coordinator)

SENIOR SCHOOL *Artwork* OF THE WEEK

This week's artwork of the week is a monoprint by one of our Grade 10 students, Asanda Vengeni, as well as his design of cups for a linoprint.

He only started art this term and has done very well. – Ms Mary-Ann Hartley

A FEW WORDS FROM OUR *Class of 2009*

"What is St Charles College...It's more than just a place. It's more than just a school. St Charles College is a home away from home, a refuge in the storm and a place like nowhere else. What an amazing privilege to be part of a legacy like this. Go Saints!"
- Ayanda Dlamini (Class of 2009)

NEWS FROM THE *Junior Primary*

CHAMELEON CLASS VISIT

We love making the most of learning opportunities, and so there was great excitement in Mrs Sorour's Grade 2 classroom earlier this week when Gabriel Santos brought a Chameleon to school that his family had found along the road. The boys enjoyed spending some time getting to see and learn some fun facts about Chameleons.

SPRING DAY CELEBRATIONS

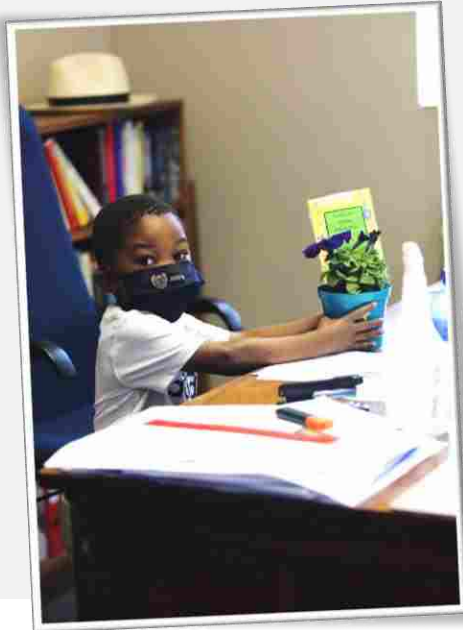

From art and paper flowers in Grade 3, to decorating (and, of course, eating) flower biscuits in Grade 1...

Our Junior Primary boys had a great day celebrating the start of Spring!

TOP SECRET...

Earlier this week while our Principal Mr van Blerk was teaching, some of our top-secret agents from Scrummies snuck into his office to leave a pot plant and note as a special Spring Day surprise!

SPRING DAY IN Scrummies

Usually our boys from Scrummies would have had a Spring Day celebration with their friends from St John's D.S.G.

This year, because they can't meet in person, our boys put together some special messages and gifts for the Eaglets! We hope that this little surprise brightened their day!
