This week, Saints Old Boys Wes Madhevere and SJ Erwee have been in fine form with the bat for Zimbabwe and the Dolphins, respectively. Congratulations gents and keep flying the flag!

GRADE 9 *technical* PROJECT

Our Grade 9 boys have had great fun working in groups to make a combination of bat and owl houses. Structural plans were sourced from the internet and the boys making the owl houses created two different styles, while the two teams making the bat boxes both created structures of a two-tier nature.

The intention is for the bat boxes to be attached onto the Chapel wall to attract and house the resident bats. One owl house will be mounted in Taylor road and the second one on SCC campus. – Mr Martin Muller

SENIOR SCHOOL *artwork* OF THE WEEK

This is this week's *artwork of the week*, a self-portrait done in pencil, belongs to Asanda Vengeni in Grade 10.

GRADE 8 MUSIC WORKSHOP

This week we had the privilege of hosting Mr Nish Pillay during the Grade 8 Music classes for percussion workshops.

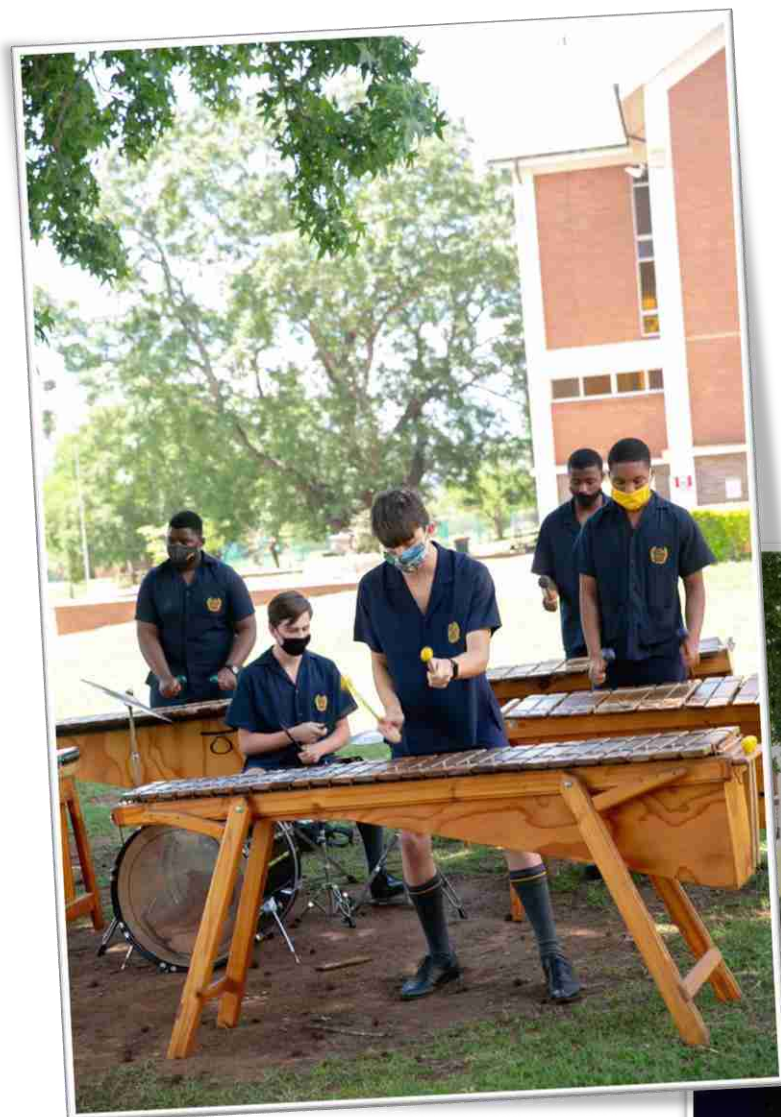

The boys learnt about general concepts relating to performing as a percussionist but were also lucky enough to hear Mr Pillay play the Tabla, a drum popular for its use in Indian Classical music. They also heard the Dhol and Cajon drums played by Mr Pillay and had the opportunity to play these instruments and other drums as an ensemble.

– Ms Kristen Wepener

Marimba LUNCH TIME CONCERT

Well done to our Junior and Senior Marimba bands who performed out on the grass today during lunch break.

GRADE 7 EPIC GO KART RACING

Today was race day down in the Senior Primary, as our Grade 7 boys tested out the abilities of their hand-made go karts!

makro

MAKRO IS LAUNCHING A NEW AND EXCITING **EDUCATION PROGRAMME IN 2019.**

Our promise of saving customers time and money is made real with **m=Educ8**. And, our goal is to make a difference in helping people fulfill their potential and realise their aspirations.

We are calling this programme:

How it works

Each parent simply needs to download the Makro mCard app on their mobile phones, and then, in an instant, sign up to the **m=Educ8** programme. Once they sign up, parents are ready to earn rewards for their school, while also earning all their usual mRewards.

For every R1000 spent by the parents, the educational institution will earn R5 (earnings applicable from R1).

This means that in a school with say, 1 500 pupils, and a spend of R1 000 per parent per month (assuming only one of the parents spends per family), the school can earn a very healthy R90 000 per annum.

Ts and Cs apply.

STEP 1
Open the mCard app (Download it here if you don't already have it)

STEP 2
Click the **m=Educ8** banner on the home screen to link to your school.

STEP 3
Select your school's region and then type in the first few letters of the school name in the search bar. Once you've found your school, link it.

STEP 4
The Home screen will show you are linked. Start supporting your school with your Makro shopping. You can update your preferences in "MORE".

STEP 5
You can opt out of supporting a school and/or change schools at any time.

- On the 31st of December of every year all the school/parent links will be removed and parents will need to sign up again in the new school year.
- **Important note:** When linked to a school, users can still earn mRewards as normal
- **Problems linking to your school?** Parents who already receive preferential prices will not be able to link to a school. If you're not sure if this applies to you, give us a call on 0860 300 999.
- **Can't find your school?** They may not be signed up yet. Email their details to commercialonline@makro.co.za and we will invite them to join.
- Terms and conditions apply. Visit www.makro.co.za.
