MIDDLE SCHOOL

academic awards ceremony

This week our Middle School celebrated its academic achievements from the 2020 final examinations.

It was a fitting ceremony that boasted some of the College's best ever results in our illustrious heritage.

With the ceremony being hosted online, it was left up to the award winners, keynote speakers and musical interludes to light up the Chapel and bring some much-needed ambiance to the occasion. We were not let down. Those in attendance were attentive and congratulated one another with respect and enthusiasm. The readers spoke with verve and courage, and their words were heartfelt.

We look forward to having a full Chapel next year to celebrate the academic success of the Middle School and hope to see you there.

I would like to take this opportunity to thank everyone involved in the event for making it possible. It was a wonderful team effort that came together beautifully.

– Mr Murray Cole-Edwardes (Head of Middle School)

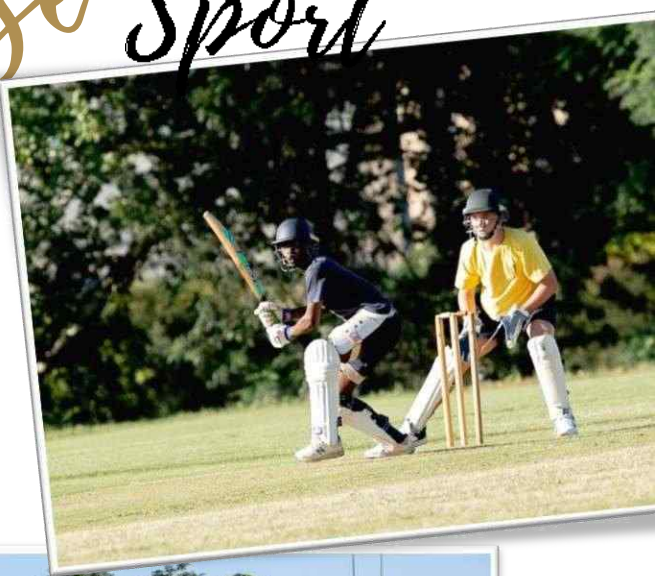

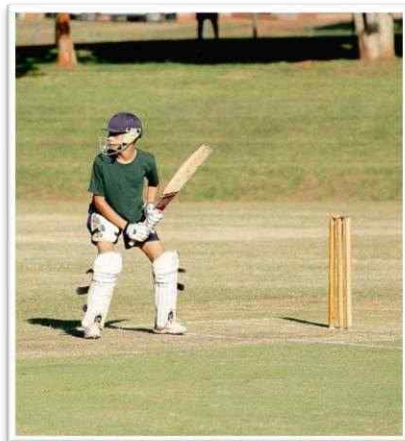

Saints Inter House Sport

It has been excellent to see the Inter-House competitions taking place on the courts, in the pool and on the cricket fields. Well done to all the boys who have got involved in the action and locked horns with their peers. There is a change at the top of the table with Delalle leading the basketball and coming out on top, overall, in cricket. Congratulations to our first winning finalists, Delalle for claiming Junior cricket honours and Conway for blowing away their opposition in the Senior final on The Oval yesterday with some explosive batting. International Steelpan and Marimba Competition

Congratulations to our Senior Marimba band, who recently received certificates for participating in the International Steelpan and Marimba Competition.

Senior School Artwork of the week

Our first artwork of the week for 2021 goes to Grade 12 AS Art student from 2020, Duncan Schröder. These were his final art pieces for his coursework and externally set assignment / exam. He produced two outstanding lino prints and achieved a very good mark. The first one 'Rituals', looking at the SCC dining hall and the ritual of eating; and the second one is of commemorative objects. Fine details are very difficult to achieve in a lino print, and as a first-time printmaker he has managed to do this very well. – Ms Mary-Ann Hartley

Grade 2 Art

Take a look at some of the wonderful pieces of art our Grade 2 boys have been working on this week!

Biology Grade 4

Our Grade 4 boys have been learning all about body systems and the skeleton in Biology. We have had loads of fun learning all about its function and drawing our own skeletons.

Valentine's Day Video

Each year our choir makes a surprise visit to St John's D.S.G. to serenade the girls for Valentine's Day.

This year, due of COVID regulations, we had to get creative and opted for a 'virtual Happy Valentine's Day' featuring some of our Senior Primary and Senior School boys.

In this article, we invited our SCC Families to share their business information with us so that we could promote their businesses as well as encourage the support of other families associated to our College.

We would love to help connect your business with the greater St Charles College community. In order to facilitate this, we would really appreciate the following details pertaining to your business:

makro

MAKRO IS LAUNCHING A NEW AND EXCITING EDUCATION PROGRAMME IN 2019.

Our promise of saving customers time and money is made real with **m=Educ8**. And, our goal is to make a difference in helping people fulfill their potential and realise their aspirations.

We are calling this programme:

How it works

Each parent simply needs to download the Makro mCard app on their mobile phones, and then, in an instant, sign up to the **m=Educ8** programme. Once they sign up, parents are ready to earn rewards for their school, while also earning all their usual mRewards.

For every R1000 spent by the parents, the educational institution will earn R5 (earnings applicable from R1).

This means that in a school with say, 1 500 pupils, and a spend of R1 000 per parent per month (assuming only one of the parents spends per family), the school can earn a very healthy R90 000 per annum.

Ts and Cs apply.

Scan to download

STEP 1

Open the mCard app (Download it here if you don't already have it)

m=Educ8

STEP 2

Click the m=Educ8 banner on the home screen to link to your school.

STEP 3

Select your school's region and then type in the first few letters of the school name in the search bar. Once you've found your school, link it.

STEP 4

The Home screen will show you are linked. Start supporting your school with your Makro shopping. You can update your preferences in "MORE".

STEP 5

You can opt out of supporting a school and/or change schools at any time.

- On the 31st of December of every year all the school/parent links will be removed and parents will need to sign up again in the new school year.
- **Important note:** When linked to a school, users can still earn mRewards as normal
- **Problems linking to your school?** Parents who already receive preferential prices will not be able to link to a school. If you're not sure if this applies to you, give us a call on 0860 300 999.
- **Can't find your school?** They may not be signed up yet. Email their details to commercialonline@makro.co.za and we will invite them to join.
- Terms and conditions apply. Visit www.makro.co.za.
