**ST CHARLES COLLEGE**  
S O U T H A F R I C A

Dear Parents

**Amendment to communication regarding the start of Term 3**

I am sure that you are fully aware of what has taken place in the province since my last communication about the recommencement of Term 3. In light of these unimaginable events, it is necessary to amend the intended resumption of face-to-face teaching and to request parents of boarders who have not yet returned, to delay their arrival as detailed below.

**Return of Boarders amendment**

Those boarders who have already arrived are safe and well, and will continue to be well-cared for. However, we ask those who have not yet returned to delay doing so for a further two weeks until 25 July 2021. This is advised because we want to be certain that the chain of supply is stable before adding additional pressure on what we have secured. For any queries, I ask that you contact our Deputy Principal, Mr Stewart-Burger, assisted by Mrs Thorpe so that we can understand your particular circumstances. We are at school and will do our best to assist you.

**Online teaching and digital interaction extended until further notice**

We will be continuing online teaching and Heads of Schools will communicate as soon as we are confident that we can sustainably resume face-to-face interaction.

Your respective Head of School will keep you informed and communicate their respective measures to keep our boys focused and moving forward at this time.

Please contact them directly at:

We are thankful to be at school and safe and will assist wherever possible.

Yours faithfully

Allen van Blerk
