SAINTS DEBATING *News*

On Thursday, 18 August, the St Charles College Grade 8 and Junior Debating Teams competed in the Semi-Finals of the Pietermaritzburg Debating League (PMBDL) against GHS and Epworth respectively. The Grade 8 motion dealt with whether Artificial Intelligent toys that are able to hold conversations are justified and the Juniors debated about whether space exploration is regrettable.

Cian Jacobs, Zach Bormann and Kadyr Maharaj, all in Grade 8, are a talented team of boys and looked strong going into the debate. This was a challenging round for them as it was the first time that they were required to prepare both sides of the motion. Drawing Opposition, the team debated well but after a lengthy adjudicator deliberation, lost to a strong GHS team.

The Junior debating team also debated on Thursday and were matched against a traditionally strong Epworth side. The boys were challenged to their limits as they only had one hour to prepare their arguments for the Semi-Final round. Following a 35-minute deliberation by the adjudicators, St Charles College were awarded the victory with Zahid Khan (Grade 9) being awarded the Best Speaker of the debate. The Junior team will debate online in the Finals of the PMBDL against TWC on 25 August at 3pm, with the debate starting at 4pm. Virtual spectators will be welcome! [CLICK HERE FOR THE LINK TO THE DEBATE.](#)

Zahid Khan and Raahil Ramklown (Grade 9) have also been selected as part of the Pietermaritzburg Debating Squad that is to compete at the Junior KZN Debating Championships from 3 – 5 September. Cian Jacobs has been selected as a trialist for the PMB Squad and will undergo his trial on Thursday, 19 August. The tournament itself is intellectually intensive as the boys compete in at least five debates across three days.

We would like to congratulate these boys on their accomplishments as well as the Junior Debating Team on their outstanding achievement! We wish these boys well as they continue to make SCC exceptionally proud!
– Mr Travis McCabe (Head Debating Coach)

SENIOR SCHOOL

Exams

Our boys in the Senior School have reached the halfway mark of their examinations.

We wish all our Saints boys the very best ahead of their final week of exams!

COACH UPLIFTMENT

St Charles College is committed to resourcing the continued growth of our staff as we roll out our *Coach Upliftment* strategy.

We welcome the education arm of The Sharks onto campus this weekend as a number of our coaches will be engaging in an official World Rugby course. – Mr Rowan Irons (Director of Sport)

SAINTS BASKETBALL

We are very proud of our 1st Team Captain and Deputy Head Boy, Nkosinathi Dlamini, who has been selected to attend the FIBA Africa Youth Camp. The invitation letter describes the event as follows, "The FIBA Africa Youth Camp is an elite basketball skills camp for top young players across all regions of the continent."

Having already represented SA U16, Nkosi continues to display an incredible work ethic and has trained diligently throughout lockdown. We wish him all the best for the camp which takes place in Nairobi, Kenya, in the first week of September. – Mr Rowan Irons (Director of Sport)

SAILING News

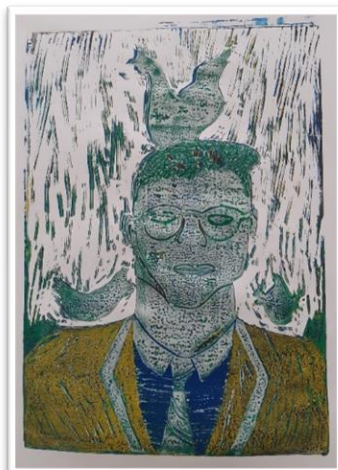

Congratulations to Noah Clulow (Grade 8) for competing in the South African Sailing KZN Laser Regional Championships 2021 over three days at the Henley Midmar Yacht Club from 7 to 9 August. The wind was very light on the first two days, which is quite unusual for August. Fortunately, mother nature delivered on the final day with a very chilly, but brisk, south-easterly wind pushing through, making for some exciting racing in hectic conditions. Noah came out with a well fought 2nd place and received an award at the HMYC prize-giving the following week for commitment to competing in the club regattas on a Laser 4.7 over the 2020/21 sailing season. Well done, Noah!

ARTWORK OF THE WEEK

This week's artwork of the week features a colour reduction of lino prints by James Laynes. His self-portrait with chicken's form part of his AS Art coursework portfolio. This artwork includes seven layers of different colours and is quite a complicated process where you cut and print a colour, cut some more and print the next colour etc.
