## BREAKING World RECORDS!

When Matthew Sates broke two World Junior records in the 200m Individual Medley and the 200m freestyle events at the World championships in Berlin, this weekend, it means that no eighteen-year-old has ever swum faster than him in those events.

The years of sacrifice and challenge have enabled us to join him in Berlin on the podium as he accepted his four gold medals and remind us of the simple value of believing in dreams and investing time and energy in preparing for them to come true. - Mr Allen van Blerk (Principal)

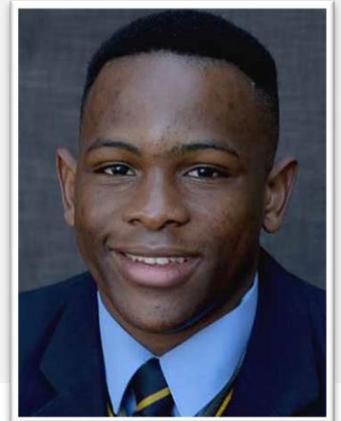

# Basketball SELECTION

We congratulate Nkosinathi Dlamini on being selected for the South Africa U17 basketball team who will be competing in a tournament taking place in Maseru, Lesotho in December 2021.  
– Mr Rowan Irons (Director of Sport)

# IPL SQUASH

We congratulate Dean Zartmann and Aphiwe Ndwandwe who recently represented the Saints and KwaZulu-Natal Squash at the National IPT's for U16 and U18 respectively. – Mr Rowan Irons (Director of Sport)

# Saints SUMMER SPORT

It was great to see the Saints teams playing again last weekend in all our summer team codes.

The 1<sup>st</sup> XI hosted Waterkloof, Jeppe, Grey College, Pretoria Boys High and the Futura Academy in five consecutive days of cricket. Although some games were affected by weather, there was some excellent cricket on display and the Saints 1<sup>st</sup> XI is ready and looking forward to the start of the summer when we host Michaelhouse tomorrow.

The U14A cricket team participated in the Shaun Pollock Festival in Durban against Queens, Potch Vokies, Potch Gim and Menlopark. We had our first century of the summer (in his first official game for Saints) when AJ Bosman scored a quality 105 against Queens College U14A from the Eastern Cape. The basketball teams and water polo teams were at Hilton College, with outdoor basketball and most of the cricket unfortunately being cancelled due to rain.

Here are some pictures of the Blue & Gold in action this past week...

CONGRATULATIONS TO THE BOYS FROM THE SAINTS 1<sup>ST</sup> CRICKET TEAM WHO RECEIVED THEIR CAPS EARLIER THIS WEEK!

# Prep 1<sup>ST</sup> CRICKET

On Thursday afternoon, we held a very special capping ceremony for our Prep 1<sup>st</sup> XI. For both players and coaches alike, it was a privilege to be a part of.

Gathering in the Oval changerooms, each of our players sat next to a Senior School 1<sup>st</sup> XI player. The Senior School 1<sup>st</sup> XI coach, Mr Murray Cole-Edwardes and his Captain, Hayden Raw, both gave inspiring speeches to our boys before presenting them their caps and shirts. Our Prep 1<sup>st</sup> team captain, Thandolwethu Zama was then asked to hang the blue blazer up in the changerooms – a moment he will surely remember for the rest of his life. It was the perfect occasion as we resume inter-school fixtures and a fitting reminder of how special our Saints family is. – Mr Gregg Cole-Edwardes (Head of Prep Sport)

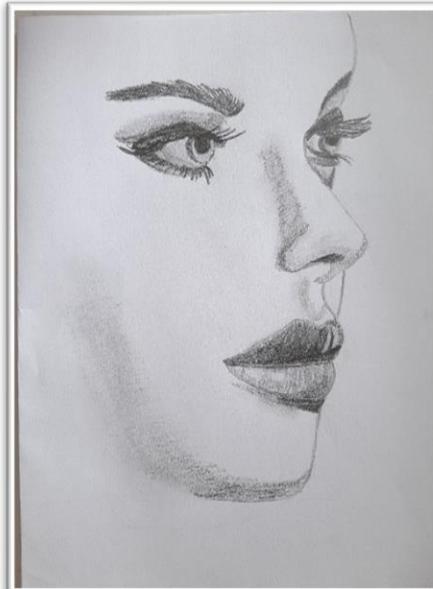

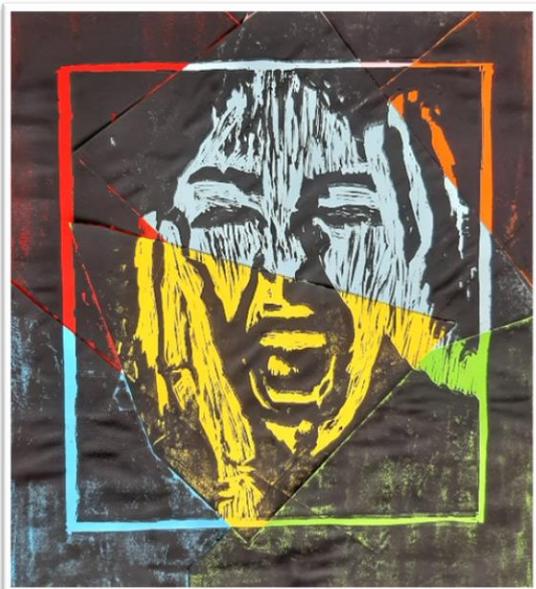

# SCC PREP CRICKET CHAMPS

Last weekend, our Prep School boys were given the opportunity to wear their whites, blue cap and blazer once again. Although all the matches played were internal, it was a great opportunity to finalise our teams, remind us of how special the game of Cricket is and allow our coaches and boys the opportunity to enjoy a match scenario once again. It was a great start to the season and now we look forward to resuming inter-school fixtures this weekend against Clifton Durban. – Mr Gregg Coles-Edwardes (Head of Prep Sport)

## SENIOR SCHOOL Artwork OF THE WEEK

This week's artworks of the week included colour lino prints by our Grade 9 students, Joel Reynard and Ethan Hall (pots), as well as a pencil portrait by Tyler Ekerold in Grade 9 and a portrait by Grade 11 AS student by John Faluade.

# GRADE 11 SCIENCE TALK FROM UKZN

Tanja Reinhardt from the UKZN College of Agriculture, Engineering and Science gave our Grade 11 Physics boys an informative talk about studying Science at university level.

The first part of the presentation focused on different career options that are available in Engineering, Agriculture, Maths and Statistics, Chemistry and Physics as well as the Life Sciences. The boys were introduced to the points system and the minimum requirements to study the various courses. To complete the talk the boys were entertained with a few practical demonstrations which involved rockets and setting one of their peers alight (under a controlled environment and with supervision). Tyrone Bright, a PhD student in engineering at UKZN, gave information about the College of Engineering and demonstrated the different drones that he is working with. – Dr Kate Akerman (Head of Science)

## MUSIC MONDAY ON THE SAINTS *Campus*

This week's Music Monday from the Saints Campus featured a performance by our Grade 4 Guitar group playing 'Viva la Vida' by Coldplay at the Senior Primary Recital as part of last term's Culture Week.

# PET FOOD DONATIONS

The St Charles College Outreach Club is visiting the SPCA for the last time this year on Friday, 22 October, and would like to gift them with some pet food. Should you be able to assist with donating some food, we would greatly appreciate it. Please could any pet food donations be dropped off in classroom HS9.

# CAMBRIDGE PRACTICAL EXAMINATIONS

This week the final Cambridge practical examinations for Chemistry and Physics were written and, as always, they ran smoothly. The Chemistry practical involved a titration, gravimetric and qualitative experiments. The Physics examination involved a basic electricity circuit and an experiment to investigate the effects of drag on a falling object. The boys were well prepared and coped well with the practicals. – Mrs Claire Beckedahl
