# Reflections ON PRODUCING A MOVIE...

were more amused by the subtle remarks or the staged awkward moments. *Tomfoolery* have produced an outstanding piece of work that has layers for all!

David Leslie, the Executive Producer, has written a **LETTER** to the *Harwin Road* cast and their parents. He shares the story behind their script writing and speaks into the future of what they may or may not experience. David has wisely addressed how to respond to the effects of social media fame:

*"Through this heady process you get to learn from yourselves and your characters, to re-think or practice what really matters. Things like friendship, service, love, humility, kindness. When you feel the headiness of fame lifting you off your feet go no further than Harwin Road to see just how empty it really is, how quickly it will end or worse, create disaster. When all you want to do is check your phone and devote yourself to fame, look at Bryce or Griffin to see its hilarious stupidity and hear Benson or Flo's voice of reason in your head."*

I highly recommend that you read it in full. I hope you laugh and enjoy Episode 1! – Ms Roselyn Dredge (Head of Culture)

# Summer SPORT

The Saints travelled across the tollgate for the second consecutive weekend, this time to challenge old rivals, DHS. While the hosts notched up a number of good wins on the basketball court, the Saints cricket teams were in fine form, winning 9 out of 10 the games played. The Saints 1<sup>st</sup> team cricket and basketball both performed well and the respective head coaches, Murray Cole-Edwardes and Darren Holcomb, reported on the games as follows:

## SAINTS CRICKET VS DHS

The 1<sup>st</sup> XI continued their magnificent form with the bat, amassing a huge total of 282/5 against DHS on the Theobald Oval. Ntando Zuma and Panashe Taruvinga settled the ship after a shaky start, putting on a 50 partnership for the 3<sup>rd</sup> wicket. After Zuma fell for 35, it brought captain Raw to the crease and he showed yet again why he is one of the premier players in the province.

*Deep breath!* Today is the day that Episode 1 of *Harwin Road* is to be released...

The posters are going up, the cast have been prepped and this afternoon the Senior School staff and boys will watch Episode 1 together.

Last week, whilst watching the mini-series with staff and then with the boys, I was surprised to see the generational differences in what is considered to be comedy! The big "fist fight" was a huge hit with the teenagers and yet the staff

His 102 off just 85 balls took the game away from DHS and put the Saints firmly in control after the first innings. However, whilst Raw deserves all the plaudits for his stroke play, it was Taruvinga who controlled one end and played an innings of conviction and maturity, especially for a Grade 10. His 81 off 112 balls was a privilege to watch and this U19 international player will have a bright future if he continues to play more innings of this nature.

DHS, in reply, always had a steady run rate whilst St Charles College set attacking fields, and although the run rate was always hovering around the 5-per-over mark, wickets fell at regular intervals and the Saints were never really in danger. The pick of the bowlers for the visitors was young fast bowler, Ross Ritchie, who returned figures of 4 wickets for 33 runs in 9 overs. The Saints will feel they should have ended the game with a bit more precision. Some poor fielding and sloppy death bowling meant DHS only fell 38 runs short. All in all, this was a great away performance from the Saints 1<sup>st</sup> XI and, with half-term looming, we wish the boys attending final KwaZulu-Natal Inland trials all the best.

Highlights from the other matches included some excellent bowling from Asande Nduku (6/21) for the 4<sup>th</sup> XI, Joel Reynard (5/10) for the U15Bs, Riav Gayadin (5/15) for the 3<sup>rd</sup> XI, Timothy Schoeman (4/25) for the U15As and Caleb Gladman (4/26) for the U14A team. On the batting front, inspired by 1<sup>st</sup> XI performances this season from Raw, Zuma, Wassenaar and Taruvinga, Mpilo Gambu scored his second 50 of the season (U15B). Marcel Wellmann and Paulo de Franca continued their good form for the U15As and 2<sup>nd</sup> XI respectively, Ryan Preston scored his maiden half century (4<sup>th</sup> XI), while Lwandle Mzila top scored for the U14As with 50.

We look forward to playing Glenwood after half-term, fixtures details are already **AVAILABLE ON SOCS.**

## SAINTS BASKETBALL VS DHS

St Charles College travelled to DHS on Saturday in what promised to be a toughly fought contest. With neither team getting off to the best start this season, both teams were eager to prove themselves in the KZN league.

Playing in extremely warm conditions on the DHS outdoor court, it was the Saints who got off to a quick start. Implementing their full court press after made baskets, the visitors were able to put the home team under considerable pressure which led to loose passes, turnovers and easy transition baskets. St Charles College also looked to implement a series of half court traps to take DHS out of their rhythm and this paid dividends as DHS found it difficult to score.

Behind their defence, the Saints got off to a good start and opened a considerable lead into which DHS were never able to cut. With some gusty conditions, outside shooting was challenging and St Charles College ensured that they controlled the paint throughout the game to walk away with a good win, 56 – 23. The Saints are congratulated on their team performance and commitment to defense which allowed them to control the game.

Thanks to DHS for hosting us so well. We now look forward to the final three game days of 2021 against Glenwood, Maritzburg College and Northwood.

# Prep CRICKET

## PREP CRICKET VS CLIFTON

Last weekend, we played against Clifton Nottingham Road, Cordwalles, Eston and Maritzburg Prep. It was a full and busy weekend for our cricketers as once again, every team was given the opportunity to play. There were some very good individual performances with over five boys making 50 runs or more as well as some great team victories. Our boys have played hard this term, they have enjoyed their cricket and they fully deserve the half-term break this weekend. – Mr Gregg Cole-Edwardes (Head of Prep Sport)

## PREP 1<sup>ST</sup> CRICKET TOUR

Last week our 1<sup>st</sup> XI cricket team travelled to Pretoria to compete in the prestigious, Independent Schools Cricket Festival. With three days of Cricket to be played, each with a different format, it always promised to be a valuable time. On day one, we played a 50 over game against the hosts, WHPS (Waterkloof House Preparatory School). They batted first and amassed a total of 270 runs. Our boys did not give up and batted superbly, but ultimately fell just short on 250 runs. It was a great game of cricket by the two Prep schools.

On day two, which was a timed game, SCC won the toss and asked Beaulieu to bat. Bowling a superb line and length, we managed to bowl them out for 140 runs. The SCC boys passed the total and went on to make 220 runs, declaring with a lead of 80 runs. In the 2<sup>nd</sup> innings, we needed to take 5 wickets for the outright win and only managed 3 to ensure we won on the first innings.

On day three, a T20, the SCC boys produced one of the greatest comebacks I have ever seen on a cricket field. Only scoring 96 runs, the Saints bowlers needed to be at their best. Pridwin Preparatory School raced to 60/2 after 7 overs. At 68/3 we needed a special performance. Bringing on our two leg spinners changed the game in our favour with our "leggies" getting 6 – 21 between them. We bowled them out for 89 to win by 7 runs. I would like to thank all our boys for their behaviour, commitment and for how they played the game. I would also like to thank our Saints parents for travelling up to Pretoria and for their amazing support. Together, coaches, boys and parents ensured it was a tremendous success and hopefully provided many positive lifelong memories for our boys. – Mr Gregg Cole-Edwardes (Head of Prep Sport)

# Saints MINI CRICKET

There was much noise, chatter and discussion in the Junior Primary quad on Tuesday morning with tactics, field placings and batting styles all being discussed and debated. The boys had an amazing time showing off their skills in front of an awe-struck crowd of parents and the Junior Primary could not be prouder of our young superstars! Not only for the skills and concentration they showed, but also the way they treated their friends from Laddsworth and held up the College's great name. – Mr Joel Barron

# PREP SCHOOL PINK DRIVE GALA

Over the past two weeks, our young gentlemen have been tasked with collecting money for two charities close to the Pre-Primary and Junior Primary's heart: Happy Bundles and the Pink Drive. To celebrate their efforts, the gracious ladies from Pink Drive threw an amazing gala in which they teamed up with boys from a variety of grades through the two youngest schools within the College and attempted to complete a variety of teamwork-based tasks. The boys (and staff!) had an absolute ball and it was the perfect way to bring in our half-term. - Mr Joel Barron

# GRADE 9 PHYSICAL SCIENCE

The Grade 9s have been busy studying metal reactivity during their Physical Science lessons.

In experiments, the boys analysed how different metal carbonates decomposed. The metal carbonate was heated and the carbon dioxide was liberated. The boys timed how long it took for the limewater to go milky from the carbon dioxide and this informed them of the reaction rate of each reaction.

Another experiment was done using metals and reacting them with sulfuric acid to see if the reactivity of the metals changed for a different experiment or stayed the same. – Mrs Claire Beckedahl

## “UNSINKABLES” Technology Project

The Technology department has given their Grade 9 students the task of designing and building an ‘unsinkable’ recycled plastic bottle boat which must be no longer than 2m and 1.5 m wide.

They also needed to create a portfolio explaining their name choice, colour coding and design. The test involved getting four out of the five team members across the pool and back in as few pieces as possible, and as quickly as possible.

After all the fun has been had, all the bottles will be collected by a recycling company and taken off site.

This is the final part of their project, teaching our young men to look after our precious environment.

– Mr Ben Bosch

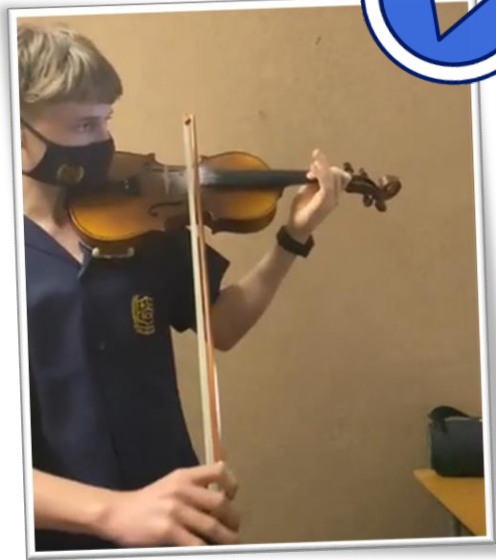

# 2022 KZN YOUTH ORCHESTRA Selection

Congratulations to Harshad Pillay who has been selected to play in the KwaZulu-Natal Youth Orchestra (KZNYO) Shadow Orchestra for 2022. Harshad is a diligent music student and has been working hard on his musical skills.

He will travel to Durban for weekly rehearsals and will be involved in the various concerts throughout the coming year. – Mr Pierre Frenzel

# SENIOR SCHOOL Artwork OF THE WEEK

This week's artworks feature test drawings by two Grade 9 students. The camera was done by Joel Kempthorne using pencil on teabag-stained paper and the pencil still life was created by Chris Anderssen.

## OUTREACH TRIP TO THE SPCA

On Friday, 22 October, our Senior School boys were given the opportunity to visit the SPCA, accompanied by Mr Sean Anthony.

The boys were able to play with the kittens, walk some puppies and hand over some pet food donations received from the Saints Senior School. It was a memorable visit and everyone enjoyed interacting with the animals and making a difference in their lives.
