JUNIOR PRIMARY Meet and greet!

Our Junior Primary were very excited to welcome the lead actors from Harwin Road to their assembly this morning. They were able to ask the Senior boys questions about the mini-series and even get their autographs!

Online UNIFORM SHOP

Our Blazer Cupboard staff are very excited to launch the new online Uniform Shop. The ordering of uniforms and sports kit should be easier than ever before. You can access the link through the St Charles College website or simply by clicking the link [HERE](#). You just need to have your credit card handy.

Senior School boys can collect their purchases from the shop. Grade 7 and below will have their items delivered to their classrooms. Enjoy the ease of placing orders!

SUMMER SPORT *City Derby*

The eagerly anticipated City Derby resumed competitive action this weekend after a full 18-month hiatus.

With the matches starting on Friday afternoon in the water polo pool and continuing on the courts and fields on Saturday – there were 26 games in total, a number of them hotly contested. While the Saints won four of the five senior basketball games, the visitors won most the junior games; and it was the reverse on the cricket field with Saints claiming the lion's share of junior cricket matches, with their only senior age group victory being on Goldstones in the 2nd XI game. Notable performances on the day included strong wins for the U14A, U14B and U15A cricket teams. Ultimately, it was a great day of schoolboy sport in the city and congratulations must go to our visitors for their 1st team performances. The full set of results can be accessed [HERE](#).

The basketball and cricket flagship team games were reported on as follows by the respective head coaches, Darren Holcomb and Murray Cole-Edwardes:

SAINTS BASKETBALL VS MARITZBURG COLLEGE

The local derby game always brings heightened spirit and Saturday's clash between the two schools was no different. Despite the limited number of spectators due to COVID restrictions, the small crowd did their bit to make the players feel appreciated.

Meeting for the third time this season and with both teams having a victory under their belt, Saturday's clash was for bragging rights in 2021. Although the home Saints team was confident at the outset, it was Maritzburg College who applied the early pressure with their aggressive attacking style. Despite the defense, our visitors were able to repeatedly get to the rim which gave them easy shot attempts. Further, their offensive rebounding was spectacular and provided many second shot opportunities. Despite the pressure, St Charles College was able to execute their gameplan and entered the half trailing by 3 points.

With everything to play for, Maritzburg College was able to continue putting the Saints under pressure and maintained a small lead throughout the second half. Despite their efforts, St Charles College was unable to respond effectively to the full court pressure and ultimately went down 61 – 52.

Despite the disappointing performance from the home team, St Charles College have little time to dwell on the loss as they take on the top basketball team in the province this coming weekend in what will be the final stayer's game of the season.

SAINTS CRICKET VS MARITZBURG COLLEGE

The 'City Derby' was poised to be one of the great match ups of the season. Two evenly balanced teams going head-to-head on the magnificent St Charles College Oval.

The hosts won the toss and elected to bat on a 'belta' of a wicket. After a planned conservative start, at the 25-over stage, Saints had amassed 88/3 and looking in complete control with our strong middle order still to come. At 34 overs, SCC had managed to get themselves into a commanding position with the score on 140/4 and looked set for a total in the region of 240. However, a quick succession of wickets, including the key wicket of captain Raw, who was in sublime form again, scoring 48, set in motion a batting collapse that ultimately saw the home team stagger to 171 off 45 overs.

Maritzburg College were excellent in their reply and successfully chased down the score with just 2 wickets down. Congratulations to them on their outstanding 8 wicket win, and we look forward to reigniting our healthy rivalry in the new year.

KZN ATHLETICS

Congratulations to Mondli Gwetu (Grade 7) who recently ran in the KZN Athletics Champs. In the 800m race Mondli won gold in the 1st heat with a personal best of 2:18. The 2nd heat was faster, and Mondli ended up taking overall bronze for the KZN 800m. He achieved a qualifying time to run at the SA finals and the final KZN team will be announced shortly. Well done Mondli!

PREP SQUASH *News*

On Monday our Squash courts were very busy as we hosted Merchiston for three matches. The hard work our boys and coaches have put in this term paid off as we enjoyed a very successful day, winning all of our fixtures. Our boys loved the competitive nature and close games, enjoyed hosting and were once again, very well behaved. Next week our season ends with fixtures against Epworth, Clifton Nottingham Road and Clarendon. – Mr Gregg Cole-Edwardes (Head of Prep Sport)

PREP CRICKET VS *Howick*

This past weekend our Prep Cricketers played in a series of fixtures against Howick Prep and there were some great team and individual performances.

Our U10As enjoyed a spectacular game where they chased down 205 runs to win by 1 wicket. We also congratulate Rory Woodroffe (U9A) who made his first century on his 9th birthday.

The 1st XI continued their impressive streak with our Captain Thando Zama playing a Captains innings to see the team to victory by 5 wickets.

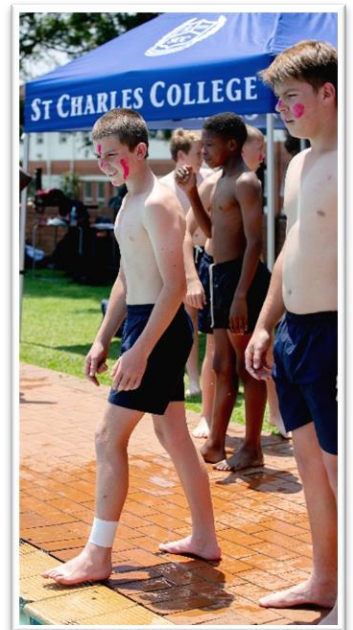

Our boys are to be congratulated not only for some great performances, but more importantly for how they played the game. – Mr Gregg Cole-Edwardes (Head of Prep Sport)

LAST FRIDAY EVENING A FEW OF OUR SAINTS BOYS TOOK PART IN THE PINK DRIVE SWIMATHON AT SEALS SWIM CLUB.

SAINTS PINK DRIVE *Swimathon*

Last Friday, during lunch break, our boys in the Senior School were given the opportunity to take part in a Swimathon.

Well done to our boys from Grade 8 to 11 who swam a total of 729 lengths in just 30 minutes:

Grade 11	262 lengths
Grade 10	142 lengths
Grade 9	131 lengths
Grade 8	194 lengths

More importantly we had 47 boys who gave up their break to swim for this very worthy cause and many more who helped to set up and serve as counters.

Thanks must go to Save Hyper who very generously donated a "pink donut" to each boy involved in our event. I am very proud of all of them. – Mrs Christa Steyn

GOLF NEWS IN GRADE 00

Congratulations to Muhammad Vather (Grade 00) who recently competed in a golf tournament in both Umhlanga and Ballito where he placed third and second respectively. Well done Muhammad!

LUNCH TIME CONCERT

The campus was alive with music this Tuesday as our Grade 9 and 10 students rocked out at their lunchtime gig.

The Grade 9 band performed 'Lovely' by Billie Eilish and the Grade 10 band performed songs by the Arctic Monkeys and the Beatles. The concert also featured some of our solo singing students, Ndalwenhle Ntimba, Sbusiso Mtsweni, Juan Reynaldo Depestre Velazquez and Kumba Dzomba.

We were privileged to have some of our Junior and Senior Primary boys come support.

– Ms Heather Skorpen (Music Director)

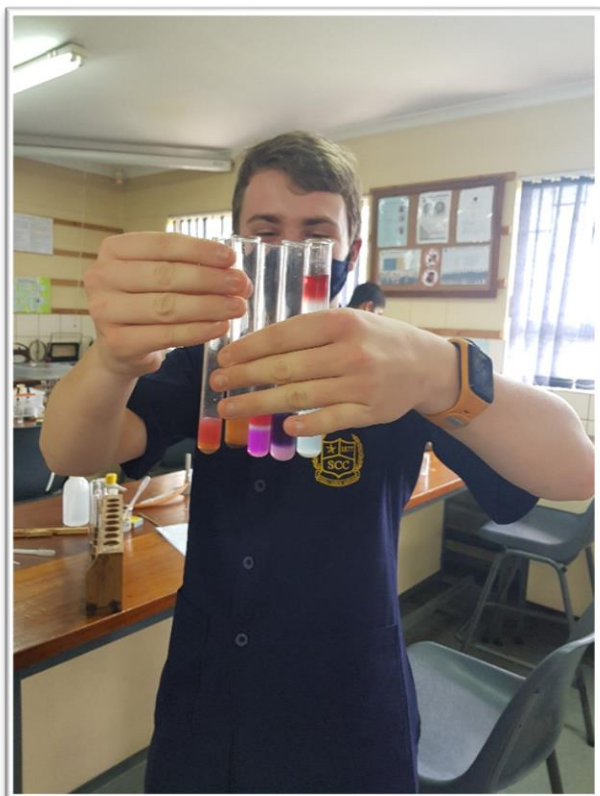

MUSIC MONDAY ON THE SAINTS Campus

This week's Music Monday features a performance by Ujval Nirghin (Grade 8) playing "Bendin' the Roles" by Ben Crosland.

Colourful CHEMISTRY

Our Grade 11 Chemistry students are getting the chance to see the colourful side of Chemistry in their qualitative chemistry practicals. – Dr Kate Akerman

GRADE 11 PHYSICS PRACTICAL

The Grade 11s have been studying electricity and on Thursday they performed an experiment to determine how the length of wire relates to resistance. The other part of the practical the motion of two pendulums. – Mrs Claire Beckedahl

CREATING A Lava Lamp

There was lots of excitement in the Science and Engineering club this week. By using oil, water, food colouring and Alka fizz the boys were able to make their own lava lamps.

This simple experiment demonstrated how immiscible liquids densities affect which liquid will float on the other. It also demonstrated how the chemicals needed to be in an aqueous state for the reaction to take place. – Mrs Claire Beckedahl

Grade 11 HISTORY EXCURSION

The Grade 11 History students went with Mrs Joubert on a History excursion on the Monday, 15 November to some Durban museums.

They visited the Denis Hurley centre alongside the Emmanuel Cathedral and saw the amazing work they are doing there. The current centre is a dynamic, living memorial to Denis Hurley.

The Saints boys also visited the Durban naval museum where they learnt about the various changes made to the Durban harbour over the years and the history of whaling in South Africa. They got to climb aboard a ship and see for themselves what it was like inside.

Then they went to the Kwa Muhle Museum and were given a talk by the curator Mr Steve Kotze. He spoke about the history of apartheid in Durban and how segregation and the pass laws operated during that time in South Africa and in Durban. The SCC boys then went to the Durban Art Gallery where there was a contemporary exhibition of photographs by artists such as Cedric Nunn. Whilst in the same building they visited the Durban Natural Science Museum which has many interesting artefacts to see.

The last stop was to visit was to the Denis Hurley centre in Durban. Archbishop Hurley attended St Charles College many years ago and it was fitting that the boys learnt about him and his legacy. The centre relies totally on donations and does excellent work with the community outreach programmes that they run for the homeless in Durban. Two hundred people are fed every day, with showers the homeless can use and a computer centre with the internet, a refugee crisis centre and a clinic with medical professionals. The boys were shown around the centre by one of the managers Jean-Marie and then went to visit the Emmanuel Cathedral which is currently being renovated.

It was a very thought provoking and interesting day, reflecting on the past and thinking about the future.

– Mrs Debby Joubert

LUNCH WITH THE LANGUAGE INSTITUTE

On Wednesday, 17 November the KwaZulu-Natal Language Institute (KLI) held a multi-cultural lunch at the Coach House.

This was inspired by Auxence Huret who suggested sharing what is eaten in their home countries, with each other. The menu consisted of dishes from Asia, a sweetcorn soup; two delicious French dishes from Reunion Island/ France; a smoked fish dish with sour vegetables prepared in the Congolese style; and several South African desserts – Indian sweetmeats, Cape Malaysian koeksisters and vetkoek, otherwise known as amagwinya.

The students were highly honoured to introduce a wide range of flavours, to each other, and to several of the staff. It was a special time of sharing which enacted the values of the school, including the recognition of diversity in language and culture. – Mrs Jenny Kerchhoff

We are hosting a Blood Clinic on Wednesday, 24 November at The Coach House from 9am to 4pm and we hope to see YOU there!

Our hope is to get as many donations as possible during this time and welcome all visitors to the College to join us.

As part of our commitment to uphold our core value of responsibility, we are committed to supporting the work of the SANBS and encourage all those who are eligible to donate blood, to do so.

Be a hero.
Save a life.

Junior Primary GRATITUDE ASSEMBLY

Ending the week with gratitude! At a recent assembly, our boys in the Junior Primary spoke about gratitude. Afterwards, we asked the boys to share what they were feeling grateful for. Here are some of their responses...

MEASURING OBJECTS IN Grade 1

Our Grade 1s worked with their 'buddy' from Grade 3 earlier this week and measured some everyday objects using non-standard units of measure. They were tasked to measure their feet, their desks and their classroom using an assortment of things. – Mrs Lauren Riley
