## ROUND-UP

*At this time of the year, we are saying farewell to our Matric parents and their boys, which is always such a shock when we realise how fast the time has sped by. Our boys are quite an extraordinary group and I have no doubt that they will go on to do exceptional things.*

*Our hope remains that what the boys learn at our College will be an education for life so that in society they will defend what is right, support what is just, and strive to respect the dignity of others. - Mr Allen van Blerk (Principal)*

# Harwin Road PRODUCTIONS

What perfect timing! The *Harwin Road* poster went up on the N3 billboard on the afternoon of the Premiere last week.

The red-carpet event of the Premiere was the ideal opportunity for the cast to suit up and for the SCC community to celebrate the end of the mini-series. Farai Chinyoka did an excellent job of interviewing the Jock, Muso and Gamer squads as well as the staff who were part of the cast. The Tomfoolery film and editing crew joined the cast on the red carpet for this special occasion.

As soon as the first episode was released, the cast started talking about a #roadto10K views on that first episode.

Now that we have achieved that, we are now on the #roadto100K views. Is it ironic that we have produced a mini-series on social media and yet we are aiming for that golden carrot of 100K?

I can't, however, let this opportunity pass. On behalf of the *Harwin Road* cast, please share episode one with your family and friends.

*Harwin Road* is an outstanding creative piece of which we can all be proud of. In a few years, when we check in with our schoolboys, I wonder how many will have gone into film or chosen a career in sound production? I know many are asking if a *Harwin Road* Season 2 will be coming out soon or if there will be a spinoff... we will have to wait and see! – Ms Roselyn Dredge (Head of Culture)

### Kyran Otto

(11), Grade 12  
Role: Benson (the gamer)

**Who is Kyran?**  
Benson is a shy, witty Grade 11 learner who takes the meaning of 'Burger F' to a whole new level. It's a word that means a lot to him and is a source of pride for him.

**What advice do you have for youth analyzing social media?**  
It's important to be a good listener. If you're in a group, listen to what others have to say. Don't be afraid to ask questions. And, most importantly, be yourself.

**What was your first reaction to the idea of Harwin Road?**  
I was really excited about it. I've always loved acting and I thought it would be a great opportunity to showcase my talents.

**How do you balance your schoolwork and your acting?**  
I try to manage my time well. I make sure I have enough time for both. I also try to be efficient with my time.

**What are your future plans?**  
I want to continue acting and maybe even go to film school. I also want to be a producer.

### Matthew Groot

(16), Grade 10  
Role: Griffin (the musician)

**Who is Matthew?**  
Griffin is a cool, laid-back, who is crazy about music. He's a bodybuilder and a musician.

**What advice do you have for youth analyzing social media?**  
Be open to suggestions, allow people that moment of light and see what you can do.

### Timothy Connor

(17), Grade 12  
Role: Bryce (the jock)

**Who is Timothy?**  
Bryce is a confident, cocky and sporty character who can be a bit of a jerk. He is very confident in his own abilities.

**What advice do you have for youth analyzing social media?**  
Social media can be a way to find fun and entertainment, but it's important to be smart. Don't be fooled by what you see. Always think for yourself.

# SUMMER SPORT VS Northwood

We have had a full term of uninterrupted sport! It has been a blessing to have an energised campus once again in the afternoons and it has also been great to have #GameDays back.

We welcomed our friendly rivals from Durban North on Saturday for the final round of summer fixtures. Our boys and coaches have put in a great deal of effort this season and, subsequently, can be very proud of the outcomes they have enjoyed. There were some incredible team performances, some tough games and some weather affected games. One of the highlights was a record new ball bowling partnership between Carlo van den Berg and Luyanda Mjadu (a combined 10 wickets for 15 runs) for our U15Cs. It was also a weekend to say farewell and thank you to our Matric boys and their parents – it has been an amazing journey and we wish them all the best for their next chapter. – Mr Rowan Irons (Director of Sport)

## SAINTS CRICKET VS NORTHWOOD

The 1<sup>st</sup> XI season ended on a high with a hard-fought win against Northwood. Overcast conditions, with a slight drizzle for most of the afternoon session meant that the surface was slow and gave both teams an equal opportunity to win. Batting first, SCC were once again in total control at the morning tea break, with the score on 94/3 after 25 overs. This was set up brilliantly by our opening pair of Nathan Buhr (20) and Daniel Wassenaar (34) who put on a 50 partnership, setting up our middle order to take control. Unfortunately, for the second consecutive week we were unable to capitalize on this start and ended up with an average score of 188 all out. A number of good starts, that also included Jason Muirhead (31) and Hayden Raw (22) meant that under the conditions, it was a par score, but a lost opportunity to post a more formidable total. It kept our opponents firmly in the game and left both teams feeling they could win.

1<sup>ST</sup> TEAM PHOTOS COURTESY OF DUNCAN ANDREW

Northwood in reply came out with an attacking mindset and gave SCC numerous opportunities up front that we failed to take. It did, however, keep the Saints in the game. Raw had his best game as captain, making excellent bowling changes at the right time and after 25 overs, Northwood were 84/4. This is where the drama began to unfold as the rain started to come down more heavily. With Raw now taking complete control of the game and wanting to bowl spin, he was asking our fine spin attack to take us home to victory. With a wet seam, a wet ball and wet outfield, the Saints 1<sup>st</sup> XI were simply magnificent. Nathan Beaumont, as a bright up and coming leg spinner, bowled the spell of his life and picked up the key wicket of Anderssen that ultimately sealed victory for the Saints. Nathan Buhr was asked to bowl for the first time by his captain under enormous pressure, and with a wet ball, took the last 2 wickets of the game.

It was an incredible short spell that should now see him gain in confidence and expect to bowl in future matches. However, special mention goes to Matric pupil, Gordon Hill, whose spell of 10 overs, 2 for 18, showed every St Charles College pupil how to end their time at school. We are very proud of this young man, and he could not have had a better end to his cricketing career on the Saints Oval.

All in all, Raw was immense in backing his young players and asking the team to be warriors in the face of adversity. All in all, 4 cricket balls were used in the second innings, just to complete the game. A lesser team would have gone off for rain, but this team played with courage, and in their last game of the season, showed why the brotherhood and camaraderie of St Charles College will always stand the test of time.

St Charles College won by 13 runs, but it was the manner of the victory that will be felt in the hearts and minds of all our supporters who were there to witness it.

I would like to take this opportunity to thank all our wonderful parents for their support this year. They were present for every fixture and supported in the right way. We are one team, and our parents are very much a part of that. We had a wonderful closing function in the Coach House after the game and once again it was our fantastic parents who organized such a magnificent occasion. It was the perfect way to the end the season and say goodbye to our Matrics – together!

On a final note, the Saints 1<sup>st</sup> XI would like to congratulate the Prep 1<sup>st</sup> XI on beating city rivals, Merchiston.

Well done to all involved and good luck for the rest of the season.

– Mr Murray Cole-Edwardes

The boys left their best performance for the last match of the season.

Luyanda Mjadu bowled brilliantly and took 5 wickets for 12 runs. He managed to get 2 wickets in 2 balls and narrowly missed out on a hat trick. Carlo Van den Berg took 5 wickets for 3 runs and managed to get a hat trick.

The boys ended the season well. Congrats gents!

Congratulations to Russell Fick and Sam Ndlovu from our Saints 1st XI for receiving their caps over the weekend!

## SAINTS BASKETBALL VS NORTHWOOD

St Charles College welcomed the top basketball team in the province on Saturday, Northwood.

Northwood have remained unbeaten this season and the Saints were eager to spoil their perfect season in the last scheduled game of the year. With both teams playing well throughout the game, it was difficult to determine an outcome.

Northwood managed to find some momentum late in the game and opened an 8-point lead in the 4<sup>th</sup> quarter, however, St Charles College came storming back to within 1 point with the time winding down. Northwood ultimately held on to win narrowly. Both teams are to be commended for their outstanding play. On both offense and defense, they refused to give an inch and as a result produced one of the most exciting games this season.

With examinations looming, basketball comes to an end until next year, but the Stayer's season has given us an exciting preview of what is to come.  
- Mr Darren Holcomb

## SAINTS WATER POLO VS NORTHWOOD

The junior game in Durban was very exciting with goals being scored back and forth by each side, we would go up by a goal and then Northwood would counter with another exciting goal. The last chukka ran away from the junior team because a lack of fitness crept in, allowing Northwood to capitalise and get some easy goals.

We encourage them to keep playing as much water polo as they can to improve their game awareness, which will hold them in good stead for their future seasons.

The seniors started off the game on the back foot, conceding a couple of easy goals but came back in the second chukka by scoring the only goals. The rest of the game followed with excellent defensive work, but we just couldn't make the most of our offensive play. Some easy goals were allowed passed the goalkeeper in the third chukka and three "man-up" offensive situations that were wasted prevented us from getting the win. Similar to the juniors, as much game time for our boys will greatly benefit the water polo programme as game awareness is something that is stopping them from getting those crucial goals to turn the scoreboard to our favour.

We have come a long way with the water polo programme and being able to play 1<sup>st</sup> vs 1<sup>st</sup> fixtures is something we've been working hard towards. We are looking forward to being able to train at UKZN next year again and I think this will greatly benefit the programme going forward. Thank you to all the boys and coaches for their efforts and we appreciate the support from our water polo parents. – Mr Mark Hatton

# PREP CRICKET VS *Merchiston*

It was always going to be a great weekend of Cricket with 18 fixtures scheduled against Merchiston. Unfortunately, many of the games on Friday were rained out. The U9As managed to finish their game and enjoyed a fantastic victory in chilly conditions. Congratulations to Matt Bracco who scored 44 runs for his team and to Mr Sliedrecht for ensuring that all our boys were given the chance to bowl. The U10B team were going along very nicely on 109 runs after 15 overs with Arthur Briscoe contributing 29 runs to his team before rain stopped play.

On Saturday, our 2<sup>nd</sup> XI was involved in a thrilling match. A solid platform was laid by our opening batsmen Prezlin Govender and Andile Mvelase, setting 142/4. Keeping calm under pressure our SCC boys won by 1 run off the very last ball of the match.

In the 1<sup>st</sup> XI game, Merchiston were restricted to 140 runs due to great line-and-length bowling, and exceptional slip catching by our team. After the loss of early wickets, a 100-run 3<sup>rd</sup> wicket partnership between our Captain and Vice-Captain, Thando Zama and Thandanani Zuma set the platform, resulting in a 3-wicket win by our 1<sup>st</sup> XI.

Well done to all our boys for a great weekend of Cricket! We look forward to playing Laddsworth this weekend and then enjoying our first ever Cricket celebration with Chelsea Prep next week. – Mr Gregg Cole-Edwardes (Head of Prep Sport)

## PREP SQUASH NEWS

This week our squash season ended with a full set of fixtures against Clifton Nottingham Road, Epworth and Clarendon. Our boys have really enjoyed their season and have shone on and off the field. Thank you to Mrs Barichiev and to Ms Hockey for all their hard work. – Mr Gregg Cole-Edwardes (Head of Prep Sport)

# PREP SQUASH CHAMPIONSHIP

We congratulate Thandanani Zuma on winning the Prep Squash Championship for 2021.

# CAPITAL K Swim

Well done to our Capital K 500m swimmers Jayson Smit (Grade 2) and Nathan Nel (Grade 4).

Well done to our Capital K 1km swimmers Michael Smit (Grade 4), Keagan Hewer (Grade 4) and Matthew Nel (Grade 5).

# FEZELA CANOE RACE

Well done to Ross Palframan, Cohen Murray, Noah Diedricks and Greg Palframan from our Senior School who took part in the 2021 Fezela Classic Canoe Race this past weekend, in preparation for next year's Dusi Canoe Marathon.

Thank you to Belinda Murray, for sharing her photos with us.

# MUSIC MONDAY ON THE SAINTS Campus

This week's Music Monday featured a performance of "Uptown Funk" by our Grade 6 band. Well done gents!

# Grade 10 TRIP TO GELUKSBURG

On Thursday afternoon, our Grade 10 boys returned, tired and happy, from their trip to Geluksburg! Keep a look out in next week's newsletter – we can't wait to share their experiences, favourite memories and more pictures with you!

## Online UNIFORM SHOP

Our Blazer Cupboard staff are very excited to launch the new online Uniform Shop. The ordering of uniforms and sports kit should be easier than ever before. You can access the link through the St Charles College website or simply by clicking the link [HERE](#). You just need to have your credit card handy.

Senior School boys can collect their purchases from the shop. Grade 7 and below will have their items delivered to their classrooms. Enjoy the ease of placing orders!

Welcome to the St Charles College Uniform Shop

The St Charles College Uniform Shop (affectionately known as The Blazer Cupboard) is the only stockist of the specific uniform items and all uniform items can be found at the shop, except for black school shoes.

## Senior Primary COLLECTIONS

Our boys in the Senior Primary have been collecting soap, facecloths and second-hand goods for Angelscare in Howick.

We encourage all boys to bring their goods in by Monday to make Christmas a special celebration for someone less fortunate. – Mrs Philippa Nipper

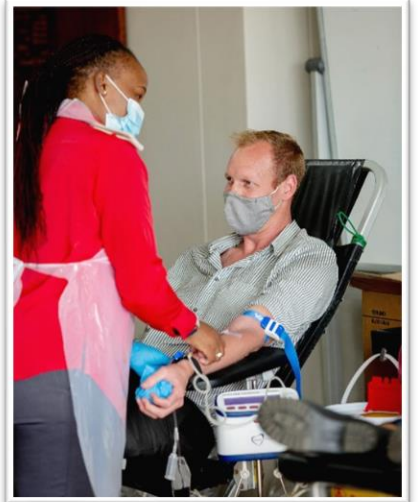

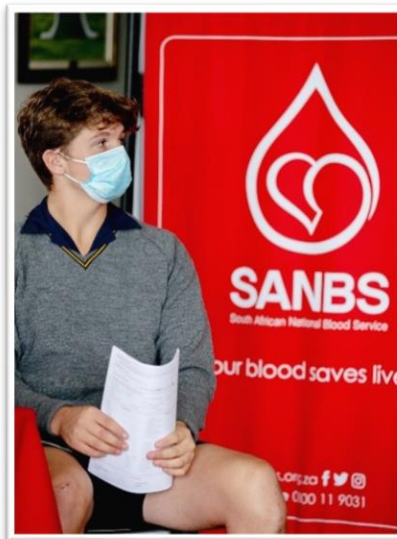

# Saints BLOOD DRIVE

St Charles College hosted a successful blood drive this past Wednesday, the first of the year due to previous Covid-19 restrictions. A total of 46 blood donations were made by some of our senior boys, staff and visitors.

This selfless act of service is something that St Charles College has always supported in the past and will continue to do so for many years to come.

We look forward to hosting our next blood drive early next year.

– Mrs Meg Hutton

## FUN AND GAMES IN CHEMISTRY

To relieve some exam stress, our Grade 11s were allowed to play games in Chemistry. The first game involved solving a series of chemistry problems to work out a lock combination. The first team to unlock the combination found a note to their prize. This game involved both a theory and practical component. Jordan Blackmore and Lumbala Kabongo from the AS stream class and Thomas Freese and Ethan Naidoo from the A stream class were the first teams to work out the correct combination and claim the prize.

The second game was an organic card game where the teams had to use their cards to make organic reactions. The first team to lose their cards were the winners. This involved a good knowledge of the theory as well as planning and strategy. Tahir Khonat and Yamikani Kadzombe won the most rounds. – Dr Kate Akerman

# SENIOR PRIMARY *Drama*

## GRADE 4 PIRATE PLAYS

'Arrrgh', our Grade 4 pirates delighted their audience on Monday, 22 November. Taking on the characters of pirates, they were encouraged to explore their vocal range and physical presence. They've worked hard throughout the term to make this week's performance a reality. Well done boys! - Mrs Vibeke Olsen

## GRADE 5 DRAMA COMPETITION

Recently, Vibeke Olsen, our drama teacher in the Senior Primary, held a competition with our Grade 5 boys during a lesson, which focused on the drama techniques that have been covered with the boys throughout the year.

Well done to all the boys on their excellent work.  
- Mrs Michelle Barichiev

## GRADE 6 "HIPPOSPOTAMUS"

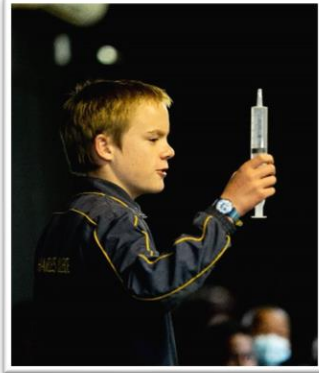

Our Grade 6s have been working towards a performance based on the wonderfully wacky book "Hippopotamus" by Jeanne Willis.

Geared towards a young audience the story is based around the mysterious spot on the hippo's bum.... Hmm, what on earth could it be?

Our Grade 6 performers were encouraged to explore the delightful characters from the book, and all their hard work paid off this week when they delighted the Junior School audience.

- Mrs Vibeke Olsen

## GRADE 7 "IMPROVATHON" WITH CORDWALLES

St Charles College and Cordwalles often go head-to-head on the sports fields... but this week our Grade 7 Drama boys battled it out on stage against Cordwalles. SCC were the proud host of this interschool event, and the boys enjoyed a fun and interactive morning. – Mrs Vibeke Olsen

## Grade 1 & 3 BOX CONSTRUCTION

# SCRUMMIES ORIENTATION

This last Saturday, our Pre-Primary School hosted their orientation morning for the Scrummies boys of 2022!

Both returning boys and those new to St Charles College met their new teachers and classmates for next year. They enjoyed their time on the playground and doing some fun activities together in their new classrooms.

CALLUM HEIN

As I think back on my years in Grade 3 I think about...  
President Day when we got to dress up as presidents and say speeches. I liked Hatching chicks Day when we had small chicks that hatched in the incubator. I remember when we had Milkshake Monday we made milkshakes on some Mondays. I always choose a chocolate milkshake. I liked having rugby matches because it's my favourite sports.

# "HOW TO BE A GOOD THIRD GRADER"

*To be a third grader you must be responsible by looking after each other, being kind to your teachers and your friends and most importantly plan ahead. Don't talk in class to your friend because you won't know what to do and try your best to write neatly to get your pen licence.*

*For cricket you will have to play with a hard ball and it might pain a bit so you have to get used to it and also you have to play a cricket match at that school. In*

*Grade 3 you will do an animal project about your favourite animal and my favourite animal is a tortoise. You'll go on excursions to many places like Ecabazini or Preston Farm.*

*Just remember be kind, show all your workings in Maths and don't forget to punctuate sentences. There are lots of excellent fun readers to read too. We aim to catch the reading bug in Grade 3.*

*Kaelan Moodley*

**As we near the end of the year, our Grade 3s took some time in class to reflect on their final year in the Junior Primary.**

**The boys have come up with some sound advice for the up-and-coming Grade 3s...**

*My year has been tremendous in Grade 3. We went on outings to Ecabazini and Preston Farm. In Grade 3 you must be responsible for your things and for yourself.*

*Sport gets a bit more serious in Grade 3 because we play hard ball cricket but, you will get used to it. Cricket matches are longer because we play 20 overs.*

*We also did projects in grade 3. The work gets a bit harder because we learn models, times tables to 12. Your brain grows and you grow.*

*In Maths you must read the questions carefully and when you must rule off us a ruler.*

*You've got this Grade 3s!*
