## Explanation of the Two-Sitting Rule

The Two-Sitting Rule for USAf exemption purposes in terms of Cambridge qualifications applies to exemptions by means of Cambridge International AS Levels, Cambridge AICE Diploma and Cambridge HIGCSE.

Candidates qualifying for the above exemptions for Bachelor Degree purposes need to meet the minimum requirements in two examination sittings. Examinations taken within a twelve (12) month period are regarded as one sitting ie June and the previous/following November; November and the previous/following June; and June and November.

Where a subject is only examined in either the Oct/Nov or the May/June session, the following or preceding Oct/Nov or May/June session will be regarded as the same sitting, e.g. Afrikaans Language is not offered by Cambridge in the June session and Portuguese Language, Turkish, German etc. are not offered in the October session.

Once you pass A Level subjects, the two-sitting rule no longer applies.

### Conditional exemption

Certificates of Conditional Exemption may be granted by USAf to an applicant who lacks one requirement in meeting the exemption conditions on the previous page. The granting of Conditional Exemptions is solely at the discretion of USAf.

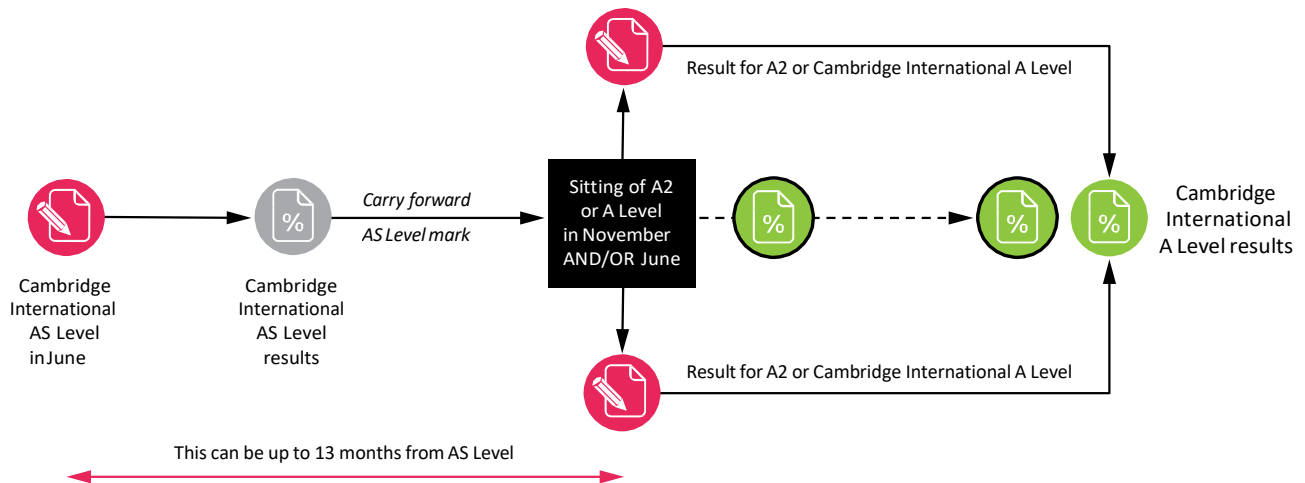

## Cambridge International A Levels

Cambridge International AS Level results can be carried forward to contribute towards an A Level a maximum of twice, and only within 13 months of taking the exam.

For example, if you sat your AS Level assessment in June 2014 you could carry forward your AS Level results to the November 2014 and/or June 2015 exam series only.

After 13 months it is no longer possible to use that AS Level result towards an A Level, however this will still be valid as an AS Level qualification.

### Carry forward for Cambridge International AS & A Level (from June)

## Recognition of Cambridge Pre-U

**Cambridge Pre-U Diploma:** This qualification comprises an Independent Research Report together with Global Perspectives which forms the compulsory core of the Diploma, plus three Principal Subjects. Up to two A Levels can be substituted for Principal Subjects.

Universities South Africa recognise the Diploma in its entirety. They also recognise the Principal Subjects separately in place of A Levels provided the A Levels are currently recognised subjects by the matriculation Board.

This qualification is only available to centres who have been authorised to offer it and is not available to private candidates.
