SCRUMMIES

Pre-Primary School

Scrummies is the the Pre-Primary phase of St Charles College, a through-school offering unsurpassed value in education for boys in Grade 000 to Grade 12

Our curriculum is designed to prepare our boys to start Junior Primary School well-prepared and with confidence.

Experience the magic of boyhood adventures

Once you venture into our little school, you may find it very difficult to tear yourself away! The air is abuzz with chatter, laughter and new discoveries. The magic of our Scrummies spirit quickly envelops you and in the blink of an eye you find yourself on a swing, jumping on the trampoline, or digging in our giant sandscape with some newfound friends. When you need a breather, you might cuddle up in one of our reading corners and immerse yourself in the pages of a book with a friend.

A firm foundation

From Grade 000, we use age-appropriate and stimulating ways to introduce skills for reading and writing readiness. Boys are provided with endless opportunities to develop their problem-solving skills and understanding of mathematical language and terms. This learning is supported by opportunities for optimal physical development and a language-rich environment.

Singapore Maths Programme**

Happy boys learn better

Our approach is centered around the belief that children learn best through exploring with their senses and by following their intuition to solve problems and to form new ideas.

Our well-qualified, passionate team of teachers understands the learning needs of little boys. Well-designed facilities support our approach and the boys have ample opportunities to test themselves physically and mentally, all whilst learning to be co-operative, considerate and kind to one other.

Explore & experiment

This is the age at which learning should not be rushed. It is essential for boys' well-being that they play out their imaginations everyday. On hot days, the Pre-Primary School boys have their own 1 metre deep pool where they can confidently learn to swim. Music fuels unlimited imagination and creativity, and solid Christian foundations keep character and values in priority.

The classrooms, verandas and playground in Scrummies provide perfect opportunities for optimal exploring, experimenting and learning.

A day in the life of a Scrummies boy

7:00 - 8:00am	Arrive at school Free play indoors
8:00am	Tidy up time Toilet routine Greeting ring
8:45am	Free play outdoors (Grade 000-00)
9:30am	Snack time
10:00am	Free play outdoors
11:00am	Toilet routine Teacher - directed activity
11:45am	Story time Rest time
12:30pm	Home time (000 - 0)
12:45pm	Sport (0)
1:30pm	Home time (0)

Outdoor free play

Provides opportunities for physical development of gross motor skills, sensory integration as well as to develop important social skills.

Indoor free play

Provides opportunities for cognitive development through activities like educational games, puzzles and construction toys. These activities stimulate thinking and reasoning processes and help develop necessary concepts.

Campus facilities

Our Pre-Primary School grounds are securely enclosed in a 1200 square meter section of our 35ha campus, making our school safe and secure for little boys. Being part of a bustling school campus provides our boys with access to a spectrum of facilities which include a water-based astro, a cricket oval and the Prep school library.

Aftercare

As part of the value offered at St Charles College, we have after care with close adult supervision from Monday to Friday until 5pm at no additional cost.
